Honk! Is the multi-award winning comic musical based on Hans Christian Anderson's classic tale, "The Ugly Duckling". Spring has come to the duck pond and all seems right until, just after his perfect, handsome siblings hatch, Ugly comes honking into the world. He is big, shambling, short sighted and branded as 'different' from the word go. Lured away by the treacherous cat, Ugly embarks on a series of adventures and by the time his mother catches up with him, he is ready for the biggest adventure of his life, and to embrace being different.
