Since that time, 2 new members have been added to the ensemble; Tara Rankine (Vocals) and Liz Zetzmann (Viola da Gamba). **Sospiro's** repertoire consists of music from as early as the Renaissance to the 21st Century.

Sospiro performs for many events such as wedding, conferences and church services. We have also appeared live on 3MBS 103.5FM. The concerts for the PAVE festival will comprise of excerpts from our concert series to be presented later this year. WORKSHOPS

The workshops offered by Tony Toppi will be based around the art of performing. Applicants should come prepared with one work (or excerpt) to play. The applicant will then be workshopped and advice will be given on practice techniques and ways in which to enhance performance skills. A keyboard will be available for pianists and accompanists. Tony will be able to accompany if necessary but your own accompanist would be preferable.
